### **eDiscoveri to Present “Discovering Low-Cost/No-Cost Strategies for Reducing Energy Costs” to IEEE Richmond Section**

**12 September 2014** – Ralph W. Russell, II, founder of Henrico County, VA - based energy consulting firm eDiscoveri, will help attendees at the October 2, 2014 meeting of the IEEE Richmond Section discover strategies for energy cost reduction. Russell will show how commercial, industrial and governmental organizations can use low-cost/no-cost strategies to reduce energy costs. Methods to optimize the acquisition of utility services such as electricity, natural gas, propane, fuel oil and water/sewer will be presented. Strategies such as meter totalization, contract adjustments, and sales tax exemptions will be discussed. An IEEE member for many years, Russell’s profile is at: <http://tinyurl.com/p7z7z2t>.

Held at Debbie’s Kitchen, 13155 Mountain Rd. Glen Allen, VA 23059, the IEEE Richmond Section meeting takes place on Thursday, October 2 from 5:30pm to 8:30pm. Registration is free; Dinner a la carte from menu, attendees responsible for their meals. Register online at <http://www.ieee.org/richmond>.

###

#### **About Ralph W. Russell, II:**

Mr. Russell is a Certified Energy Manager and 2010 retiree of Dominion Virginia Power. He has worked in the Chemical, Building Automation System and Electric Utility industries. Mr. Russell is past Chair of the IEEE Richmond Section and has served on the IEEE-USA Energy Policy Committee. He is active in STEM activities worldwide.

#### **About eDiscoveri:**

eDiscoveri is an energy consulting firm that was formed to help customers:

- Improve relationships with energy suppliers
- Increase operational uptime through improved electric supply reliability
- Reduce energy costs

eDiscoveri, a small business located in Henrico, VA USA, can provide industrial, governmental and commercial customer with tools and services to help them “discover energy solutions.” For additional background information or an interview, visit [www.eDiscoveri.com](http://www.eDiscoveri.com) or call 804.291.7667.

**About the IEEE Richmond Section:** The IEEE Richmond Section is one of the over 330 IEEE sections worldwide, the Richmond Section exists for the mutual benefit of its members and the greater public in 26 counties and six independent cities of the Commonwealth of Virginia in the United States.

A non-profit organization with more than 400,000 members in more than 160 countries, IEEE is the world's largest professional association advancing innovation and technological excellence for the benefit of humanity. IEEE and its members inspire a global community to innovate for a better tomorrow through its highly cited publications, conferences, technology standards, and professional and educational activities. IEEE is the trusted "voice" for engineering, computing, and technology information around the globe. To learn more about IEEE visit [www.ieee.org](http://www.ieee.org).
