### **eDiscoveri Publishes Inaugural Issue of “Energy Solutions” Newsletter**

**1 December 2011** – eDiscoveri President Ralph W. Russell, II announced today that eDiscoveri had published its first monthly customer newsletter “Energy Solutions”. The newsletter is being provided to support eDiscoveri’s mission of helping customers *discover energy solutions*. The newsletter will focus on methods that commercial, industrial and governmental customers can use to manage relationships with their electric utility, improve electric supply reliability and reduce energy costs.

The December 2011 issue of “Energy Solutions” includes articles highlighting the EnergyCAP Express energy management software and Demand Response aggregation provided by Energy Curtailment Specialists. Archived issues of eDiscoveri’s “Energy Solutions” newsletter can be found at <http://archive.constantcontact.com/fs048/1108454597189/archive/1108897791719.html>.

eDiscoveri was formed to help customers:

- Manage relationships with electric utilities
- Increase operational uptime through improved electric supply reliability
- Reduce energy costs

eDiscoveri, a small business located in Henrico, VA USA, can provide industrial, governmental and commercial customer with tools and services to help them “discover energy solutions”.
